Adele, I have drafts that Andy Gillespie just reviewed this afternoon:

AACM letter\_response\_NGOs 061110.doc AACM letter\_response\_Greene 061110.doc

I've asked for an extension to allow other offices/regions to review it. This is your and Dave's early shot at it.

We haven't gotten the controlled correspondences yet for the Greene and Wilmoth letters...maybe all 3 draft responses can circulate together for review.

thanks.

Tricia,

Can you please let me know status to the letters sent to the Administrator? My management asked about opportunity to review and provide comment. Appreciate your assistance.

Thanks,
